

**B 33**

**Underwriters' Survey Bureau Ltd fonds**

Originals, 7 cm of textual records, 1919-1950.

**Scope and Content:**

**Series B 33/1/1:** Insurance Plan - 7 cm - 1919-1950 (originals).

Insurance plan of the City of Fort William . The plan is dated January 1919, re-issued 1942 and revised May 1950. Revisions are all pasted over top of previous entries so that this most accurately represents 1950. Shown in colour on 45 bound sheets (63 x 54 cm) are all buildings, streets, and public amenities, such as hydrants, etc. The details of each building are also shown.

**Organizational Sketch:** The Underwriters' Survey Bureau Ltd. was probably a subdivision of the Canadian Underwriters Association who developed insurance plans for insurance companies.

**Additional Information:**

Custodial History: This volume was discovered in August 1990 by the Club Francais de Thunder Bay and was then donated to the museum.
