

E 91

Atikokan Centennial Museum Fonds

Originals, 27.5cm, 1887(?), 1901-1913

Scope and Content:

Documents from the turn of the 20th century previously stored with the Atikokan Museum.

E 91/1/1-3: Geology Documents, 1887(?), 1901-1913, 27.5 cm

A sampling of mining and geology reports from Manitoba, Atlantic Canada, Ontario, and oil exploration in Cuba. Also contains a paper on the Cottrell process

Organisational Sketch:

The Atikokan Centennial Museum is a free-to-enter museum covering the history of the town of Atikokan. It was founded in 1966 after a few years of planning in response to the acquisition of a historic locomotive.
