

# The North Western Ontario Art Association fonds

1959-1966

13 cm of textual records

## *Administrative history*

The North Western Ontario Art Association was in existence from November of 1960 to 1966. Its purpose was to upgrade the quality and appreciation of art, provide a channel of communication to member clubs, promote art education through courses and exhibits, and the publishing of a bulletin of information relating to art and the association.
